

HALF YEARLY EXAMINATION GUIDELINES

Dear Parents,

Greetings from Loyola International Schools!

We would like to inform you about the Half Yearly Examination Schedules and a few guidelines which need to be followed.

All Half Yearly Examinations will be conducted on the Zoom platform. The Question Papers will be presented through Google Forms at the start of the Zoom session. Please be informed that all these examination sessions will be recorded.

The consolidated **Examination Schedule** is also attached along with this circular. **Individual Exam Schedules** along with the respective **Zoom Meeting IDs** will be uploaded in the CMS portal soon.

In case a student is not able to attend the online examination due to unavoidable circumstances, Parents must inform/email the Class Teacher/school authorities well in advance (at least 1 week before).

Guidelines

Before the Examination:

1. Students of Classes 1 to 8 are requested to be prompt in logging in to Zoom 15 minutes before the examination start time.
2. The Examination Invigilator/Teacher will record attendance in the first 15 minutes and give instructions for the smooth conduct of the online Examination.
3. Students should have a bottle of water/fruit juice, hand napkins etc. near them to avoid movement during online Examination.
4. Unless absolutely necessary, students should try and avoid using the washroom during the Examination.
5. Once the student enters the Zoom meeting, **the link for the "Question Paper" will be made available in the chat box at the start of the examination.**
6. The syllabus for the Half Yearly Examination has been uploaded on CMS for your reference.
7. **Only for Second Language (Grade 6 to 8):** Blank Answer sheets will be uploaded on CMS by 24th September 2020. Parents need to print and keep ready the blank answer sheets for their children before the Examination.
8. Students should keep pens, pencils, and other stationery on their desk to avoid unnecessary movement during the online Examination.

During the Examination:

- 1) Students should switch their Microphones and Cameras **ON** during the period of the exam.
- 2) If the Microphone or Camera is deliberately switched off by the student, it may be considered as malpractice and disciplinary action will be taken.
